## Speakers' Bio:

### **Scott Maberry, Partner, Sheppard Mullin**

Scott Maberry is an international trade lawyer with the law firm of Sheppard Mullin in Washington, DC. He is also a member of the World Economic Forum Expert Network, where he advises the WEF community in the areas of global risk, international trade, and artificial intelligence. He counsels and defends clients and in export controls, national security, economic sanctions, anti-money laundering, trade remedies (including antidumping and countervailing duties, foreign direct investment controls, and customs law. He also clients in negotiations and dispute resolution under multilateral and bilateral international agreements. His clients include sovereign nations, major multinational companies, and small businesses.

### **Bradley Gillenwater, Business & Innovation Development Manager, Department of Commerce, Maryland**

Bradley Gillenwater rejoined the Maryland Department of Commerce as the Life Sciences Team manager in September 2024, after seven years during which time he held leadership positions with a series of cancer research funding non-profit organizations. From June 2022 to September 2024, he was the senior U.S. representative of Cure Brain Cancer Foundation, overseeing the Australian charity's U.S. market penetration efforts, including establishment of its IRS-designated 501(c)(3) affiliate. From October 2017 to May 2022, Mr. Gillenwater served concurrently as a senior director with a trio of collaborating Maryland and Hong Kong charities: the National Foundation for Cancer Research, Asian Fund for Cancer Research and AIM-HI Accelerator Fund. While through to October 2017, he was Maryland Commerce's longtime Asia regional manager with the Office of International Investment and Trade and, temporarily, its acting director. Mr. Gillenwater and his family live in Towson, Maryland.
